Dear Mr. LEUNG,

**Environmental Impact Assessment Ordinance (EIAO), Cap.499**  
**Environmental Permit (EP) No. EP-544/2017**  
**Kai Tak Sports Park**

**EP Condition 3.1 : Environmental Monitoring and Audit (EM&A) Requirements**

**Proposal of Temporary Relocation of Music Event Noise Monitoring Station from Sung Wong Toi Road Public Housing Site to Grand Waterfront**

I refer to the Environmental Team (ET) Leader's letter dated 31 December 2024 (ref.: 403329/TC/sc/L-247) enclosing the Proposal of Temporary Relocation of Music Event Noise Monitoring Station from Sung Wong Toi Road Public Housing Site to Grand Waterfront (the Proposal), duly certified and verified by ET Leader and Independent Environmental Checker (IEC) respectively, for our approval under EP Condition 3.1 of the EP No. EP-544/2017.

2. Having reviewed the submission, we consider the Proposal to temporary relocate the noise monitoring station NMS1A from Sung Wong Toi Road Public Housing Site to monitoring station NMS1B at Refuge Floor of Tower 1 of Grand Waterfront satisfies the criteria for alternative monitoring location as stipulated in Clause 5.5.4 of the approved EM&A Manual for Kai Tai Sport Park, and is considered generally in order.

3. The Proposal is hereby approved by the Director of Environmental Protection for fulfilling the above EP Condition from the environmental perspective as examined under the EIAO and does not absolve the project proponent and/or its work agent(s) from any requirements or obligations under other laws in force in Hong Kong, nor their liability due to any conflicts, nuisance or damages that proposed works may cause to third parties.

4. The Proposal will be placed on the EIAO Register for public information. Please upload the Proposal to the dedicated project website as set up under EP Condition 4.2 and clearly report the

change of the monitoring location with the justifications in the forthcoming EM&A report.

5. Should you have any queries regarding the above, please contact my colleague Ms. Alice Hsu at 2835 1151.

Yours sincerely,

(Leo Luk)

Senior Environmental Protection Officer  
for Director of Environmental Protection

Encl.
